2. Wait until pre-registration for the event opens. Pre-registration will open 2 months before the event start date.
3. As soon as the pre-registration is open, you can register through the GKA Rider's App. Please open a user account at [GKA RidersAPP \(gkakiteworldtour.com\)](#) by clicking on "register a new membership". Afterward you can login to your account with your email address and your password, choose the Youth event and press the "register"-button.
